Freedom and high performance in blue water sailing

Exclusive feeling in elegant ambiance

NOHeea is fully air conditioned throughout. She can accommodate up to 7 guests overnight in 3 ensuite guest cabins. Each cabin is equipped with a large flat LCD-TV and a touch panel control near the beds for DVD, TV and iPod connection. Also navigational data like the actual position can be monitored on the flat screens.

-1- **Saloon.** Unusually large, on the port side there is an oval dining table surrounded by comfortable leather seating, with extra seats available if required. The widescreen TV in the saloon can be used to enjoy DVD movies or monitor navigational data when connected to the navigation-system. On the starboard side more seating can be found as well as a bar area with fridge and ice machine.

-2- **Master Cabin.** It sleeps 2-3 with one large double and a single, may be converted into one large bunk if required.

-3- **Port Guest Cabin.** The cabin sleeps 2 with two single bunks, good natural light and ample storage space.

-4- **Starboard Guest Cabin.** Sleeps 2 with one double bed. It's cool and calm.

-5- **Galley.** The galley is open to the saloon and fully equipped with all amenities.

-6- **Navigation.** Open to the saloon and the galley. It is fully equipped with all the hightech-toys you would expect.

Take a break from everyday life

NOHeea's cockpit is the ideal place to lounge, dine and relax. Shaded by a large bimini the cushioned seating area borders an ample deck table that will easily seat 7 people. More shade is provided at the bow of the boat where an awning can be erected.

The transom door when lowered to water level, transforms into a bathing platform with swim ladder. There is a deck shower located next to the platform.

NOHeea is equipped with fishing and diving gear and a wide range of watersports equipment like waterskis (mono and double), wakeboard and different inflatable water toys. Dives are organized in cooperation with local operators.

The professional crew of 3 caters to every need and ensures a magnificent feeling aboard **NOHeea**.
